TALYSARN THEATRE GROUP

The Talysarn Theatre Group gave us a production of Snow White this year. There were 4 performances, which were all full, given over the period of a weekend and it was good to see that the cast were all local people with a good cross-section of ages, including quite a few young people taking part and enjoying themselves. We look forward to seeing more of their productions in the future.

Anyone who wishes to take part in the group's next production should contact Brian and Barbara Brown.

COMPETITION

As part of the campaign to clean and keep our communities tidy, Blodeuwedd, in cooperation with the local Partnership, are holding a competition for children and young people of the area to design a poster to stop pollution. For further information contact Tom Coleman on 01286 882354.

SCHOOL GARDEN

The Young Farmers, Blodeuwedd and friends of Talysarn Primary School have been busy designing and building a garden on the school grounds.

The garden will enable the children to grow fruit and vegetables and then sell them at the local Farmers Market. The Young Farmers had the use of machinery from local farmers and businesses. The project is developing well.

CRUISERS

It's nice to see our young people taking part and taking responsibility of their surroundings. A group of young people, with the cruisers guidance, have been busy tidying and clearing around the skatepark. They have also designed and painted new graffiti on the skatepark's equipment.

DYFFRYN NANTLLE ROYAL SILVER BAND

Master Classes were held by the Band over a period of a weekend in January. This gave members of every age and class within the Band an invaluable experience.

TALK SHOP

It seems that word of mouth is the best way to get things done in Talysarn and Nantlle, and this is true of the Talk Shop which takes place in Talysarn on Thursday evenings, and recently in Nantlle on Tuesday evenings.

The talk shop allows young people to come together to discuss and have fun whilst thinking of ways to improve their opportunities. One activity that the young people arranged for themselves over the Easter holidays was a two-day outdoor activities.
